Alabama Rangers

The Mother's Day shoot went well and we hope all those that came to shoot enjoyed themselves as much as I did. I know it was hot but the stages were well written and I would like to thank Sweet Ivory Bob for his diligence and foresight. I would also like to thank all those that helped set up the range on Saturday and a special thanks to those that helped take down of the stages on Sunday.

I hope everyone enjoyed the meal on Sunday after the shoot, I sure did.

I have inherited the Guns for Hire and need a list of those wishing to participate in this endeavor. We had shoot-outs at Old Bakers Farm in Harpersville set for October 27 & 28.

There may be others before this shoot but nothing is confirmed as of this date. Please

contact R.C. Moon if you are interested. We need male and female performers.

Shoot Dates:

Cahawba Kid Says?

Well fellow Rangers, we are very sorry for the lack of a newsletter last month. It was lost in the shuffle of our change over to an electronic format. If you haven't looked yet please check out the hard work that your friend and mine Fleetwood Mac has put into our new web site. This is the place to get all the latest Alabama Ranger news.

We are doing a few things new at the shoots so if you haven't visited in a while you are really missing out. Lunch is now a standard part of our monthly shoot and we will be trying to add a bit of variety to the meal that will be served every month as soon as tear down is done. If you have any suggestions for what you might like to see for lunch please come see me.

Sweet Ivory Bob, who is in charge of getting together our scenarios for each monthly shoot, has been doing a great job. It can be a tough job to come up with something new every month so if anybody has any ideas please drop him a line.

In the month of April Pinchony Creek, our Territorial Governor as well as Sgt. at Arms, came to the decision that both of these very important jobs are more than he could keep up with. He has decided to step down from his Ranger board position to more fully pursue his Territorial Governor duties. In the mean time Laughing Jack Jasper has stepped up to the plate to take on the job until the position can be filled at our next election.

I would also like to take an opportunity to thank each and every person who spends their very valuable leisure time as a guest or member of the Alabama Rangers at the events held throughout the year. It is your support of and devotion to the Rangers and Single Action Shooting as a sport that makes us all a success at Cowboy Shooting.

Thanks

Cahawba Kid

Alabama Ranger 202

PS: Just wait till next month when Laughing Jack tells us all about his new 10Ga. Shot gun. (He only gets 26 shells out of 1 lb. of black powder!)
